J. B. ZIMMER,

THE TAILOR.

1628 Second Ave. Rock Island

Are You Mixed on the Overcoat Question?

It's pretty hard to know what to do, isn't it, when every clothier in town has "the best at the lowest price," and all "give satisfaction" and "money back," and all beat the tailor to pieces, and "save you a half to a third," and all that. It comes down to a question of faith in somebody. Is there

ONE STORE

in Rock Island that has been conspicuously faithful for 18 years, whether it sold you a linen collar, a hat, suit of clothes, or whatever it was? Is there

ONE STORE

in town that usually meets your most sanguine expectations by doing more than it promises? Is there

ONE STORE

in town where the goods are of the best making and sewing and fitting always dependable? Is there

ONE STORE

in town where invariably you find the price put a little bit lower than the lowest? Is there

ONE STORE

in town that has built up standards all through its business? When you name the store you have named THIS store, and you can get your overcoat here for \$5 to \$15 and take no risk. An especially attractive line of fall overcoats at

\$8.95 and \$10.
